

AMNA ATTARIA

(WEB DEVELOPER)

ABOUT ME

"I am a dedicated Software Engineering student with strong skills in frontend technologies like HTML, CSS, Bootstrap, JavaScript, and Angular, along with backend experience in MySQL, PHP, and Laravel. I also have a good eye for UI/UX design using Figma, ensuring user-friendly and visually appealing web solutions. Recognized as the Student of the Month at Aptech Learning (November 2024), I am passionate about creating engaging web experiences and excited to contribute to innovative and impactful projects."
